**FINCONS GROUP is the IT strategic partner of Sky Deutschland for Snap**

FINCONS GROUP integrated the multi-screen TV solution for Snap, the new SVOD service launched by SKY Deutschland. The enabling software solution had to be as innovative and visionary from the technological point of view as the Snap service itself is from the business one. The implementation of the Snap product is based upon the already existing Sky Go infrastructure, developed by FINCONS GROUP since Sky Go launch in 2011. [Read more](#)
