

STEPS TOWARDS YOUR FUTURE

Your fairly paid route the world of IT consulting

JOIN OUR ACADEMY

If you are studying or have studied STEM or economic subjects and your profile matches the requirements, send us your CV.

You will have the opportunity to take part in a paid training programme lasting 4-6 weeks, followed by on-the-job training.

The Academies are organised both in-person at Fincons offices and online, from Monday to Friday, 9:00 AM to 6:00 PM.

LEARN PROCESSES AND TECHNOLOGIES

Our Academy will allow you to increase your knowledge of the most in-demand technologies and business processes in the world of IT Consulting.

The technical Academies focus on innovative technologies and train professionals in web development, cloud, big data, data & analytics, SAP, and many other technologies.

The functional Academies offer training in Project Management and business processes analysis within the various industries in which we operate.

PUT YOUR TALENT TO THE TEST

The Academy's lecturers are highly qualified Fincons managers with experience in top-level project activities.

Upon completing the theoretical and training programme, you will undergo a period of on-the-job training. You will be continuously supported by Fincons professionals and will acquire valuable skills by working on real projects for industry-leading clients, both in Italy and abroad.

JOIN THE FINCONS TEAM

After completing the Academy, you will become part of an international, innovative, and inclusive work environment, allowing you to grow and add even more value to your studies and abilities.
